hereinafter “**Market Participant**”,

HUDEX Ltd. and Market Participant hereinafter together referred to as “Parties” or individually referred to as “Party”.

Preamble

Pursuant to Article 7 of Regulation (EU) No 1227/2011 of the European Parliament and of the Council on wholesale energy market integrity and transparency (hereinafter referred to as „REMIT”) the Agency for the Cooperation of Energy Regulators (hereinafter referred to as „ACER”) shall monitor trading activity in wholesale energy products to detect and prevent trading based on inside information and market manipulation. In order to fulfil such monitoring activity the ACER shall collect the data for assessing and monitoring wholesale energy markets as provided for in Article 8 of REMIT.

Pursuant to Article 8 of REMIT market participants, or a person or authority listed in points (b) to (f) of paragraph 4 of REMIT on their behalf, shall provide the ACER (and, where required so, the national regulatory authorities) with a record of wholesale energy market transactions, including orders to trade. According to Article 2 (4) b) 'wholesale energy products' means also derivatives relating to electricity or natural gas produced, traded or delivered in the Union, irrespective of where and how they are traded.

Further, recital (19) of REMIT declares, that where a market participant or a third party acting on its behalf, a trade reporting system, an organised market, a trade-matching system, or other person professionally arranging transactions has fulfilled its reporting obligations to a competent authority in accordance with Directive 2004/39/EC of the European Parliament and of the Council of 21 April 2004 on markets in financial instruments (3) or applicable Union legislation on derivative transactions, central counterparties and trade repositories, its reporting obligation should be considered fulfilled also under this Regulation, but only to the extent that all the information required under this Regulation has been reported.

Commission Implementing Regulation (EU) No 1348/2014 on data reporting implementing Article 8 (2) and (6) of Regulation (EU) No 1227/2011 (hereinafter referred to as "REMIT IR") defines the detailed rules of the fulfilment of the above data reporting obligation. Based on paragraph 2 of Article 8 of REMIT and Articles 5(2), 10(3) and 11(1) of REMIT IR ACER has prepared a Transaction Reporting User Manual (hereinafter: "TRUM") on the details of reportable information, a Manual of Procedures on transaction and fundamental data reporting (hereinafter: "MoP") on how to report such information and the Requirements for Registered Reporting Mechanisms (hereinafter: "RRM Requirements") on the technical and organisational requirements to become an RRM and so to become entitled to submit the above data reports to ACER. Present Agreement is concluded with the aim and purpose to meet the conditions set out in the above detailed legislation. Therefore any definition not defined in present Agreement shall have the meaning as defined in REMIT, the REMIT IR, the TRUM, the MoP and RRM Requirements, and the stipulations of present Agreement shall be interpreted in accordance with the regulations of the above referred sources of law.

HUPX Hungarian Power Exchange Zrt., incorporated under the Hungarian Law with registered office located at Dévai utca 26-28, 1134 Budapest, Hungary (hereinafter "HUPX Ltd." or "HUPX") is the sole owner of HUDEX Ltd. and holds a license to operate an organised market of electricity in Hungary, which is an organised market place in the meaning of REMIT.

HUDEX Ltd. holds a license to operate a regulated market of energy derivatives in Hungary called "HUDEX Market". Market Participant is trading on HUDEX Market as a HUDEX Member based on its HUDEX Membership Agreement concluded with HUDEX Ltd.

The Market Participant, as a HUDEX Member has decided to fulfil its data reporting obligation under Article 8 of REMIT in relation to the data of its trading on HUDEX Market via HUPX Ltd., as an RRM. In consequence thereof, the Parties hereto now agree as follows.

The Market Participant is hereby acknowledges that HUDEX Ltd. is not an RRM registered by ACER in the meaning of Article 11(1) of REMIT IR, and it is not entitled and not capable to submit data reports directly to ACER. 2.2 Timing of Reporting

As it is defined in paragraph 2 of Article 2 of REMIT IR and explained in point 3.2.5 of the TRUM the term 'standard contract' means a contract concerning a wholesale energy product admitted to trading at an organised market place, irrespective of whether or not the transaction actually takes place on that market place, thus all contracts traded on HUDEX Market qualify as standard contracts. Pursuant to Article 7 of REMIT IR details of standard contracts and orders to trade, including for auctions, shall be reported as soon as possible but no later than on the working day following the conclusion, modification, termination of the contract or placement, modification, termination of the order.

4.3. Receipt and validation of data by ACER
